

3d sessions

- like in jazz music -
- improvisation and rebuilding

About - sculpture in the virtual (3d)world -

About - the lasting art and buisness findship

! New sessions soon

- based on the same process :
- i capture banal things
- i steel their form -
 - virtual sculptures -
 - i share them on the net

So watch and move

- download and print -
- 2d or 3d the way you want

Just dont forget :

mention the source and autor :
